Forecast For Northwest England
Issued by Met Office Exeter
at 0400 on Thursday 04 Nov 2021

++ Valid for broadcast between 0600 and 1800

Headline:
A fine, sunny but rather chilly day.

Today:
After a cold and crisp start to the morning it will be a fine and dry autumn day with plenty of sunshine and only small amounts of fair weather cloud. Feeling rather cold in the brisk northerly wind. Maximum temperature 8 deg C (46 deg F).

Tonight:
Staying dry through the evening with clear skies, and with the brisk wind slowly easing. Turning cloudier in places by morning but staying dry with a widespread rural frost. Minimum temperature 0 deg C (32 deg F).

Friday:
Friday will be bright and breezy with often cloudy skies, but apart from the odd coastal shower it should stay dry. Feeling a little milder than Thursday. Maximum temperature 11 deg C (52 deg F).

Outlook for Saturday to Monday:
Cloudy and windy on Saturday, with some persistent rain arriving late afternoon. Rain clears Saturday night leaving a brighter, but windy day on Sunday. Dry and bright on Monday.
